

The 7(a) Loan Guaranty Program is the SBA's primary program reducing the risk to lenders by guaranteeing major portions of the loans written to the small businesses in America. This guarantee enables the lenders to provide financing to businesses when funding is otherwise unavailable on reasonable terms. The eligibility requirements and credit criteria of the program are very broad to accommodate a wide range of financing needs.

**Diamond Financial specializes in providing SBA 7a loans and works with the countries most aggressive non-bank SBA lenders daily, insuring the greatest chance for your businesses success. We are the nation's #1 source for SBA loans.**

The SBA 504 Loan is typically for real estate and equipment purchases and CANNOT include any working capital, soft costs or closing costs associated with the loan. The 7(m) Micro Loan Program is offered through non-profit lending organizations which provide technical assistance. These loans have a maximum loan amount of \$25,000 and cannot be used to pay existing debt.
